St. Patrick's Day Celebration

Our St. Patrick's Day celebration will be on Thursday, March 14th at 9:00am and Friday, March 15th at 9:00am and 2:30pm! The children will be making a fun shamrock art project and will be baking delicious Irish soda bread to eat together in the classroom. It will be a regular school day schedule, but wearing something green is encouraged! If your child attends the TTH afternoon class, you are invited to attend one of the other three celebrations.

Dear Parents,

We are truly excited that the month of March is here as it brings so many blessings of spring! We would first like to thank all of our parents for helping to make our study of South America come alive through your contributions of cultural snack, celebration and materials!

Starting this month, the children will begin their cultural study of Europe. We continue learning about the parts of the flower this month and begin flower arranging in the classroom! We begin learning about different types of birds this month. With our Peace curriculum focus now on Environmental Awareness, the children will be learning how to sort garbage for recycling and talk about the importance of saving water!

Mystery Readers and Volunteers:

For this month and April, we will study the continent of Europe, focusing on its people, food, clothing, and traditions. We welcome parents to come share their cultural knowledge of the continent with the children. Here are the links for our cultural snack sign up and mystery reader/activity sign up:
